Good afternoon,

I've had a few queries related to a few of the announcements I've sent out recently, so I thought I would send along some additional information for your reference

AAU Cards

Please note that if you are wrestling for the first time at a tournament it is likely that you will need an AAU card. While not all tournaments require them, the majority of them do and it provides the insurance liability that most local clubs need to host these types of tournaments. The cost of an athlete AAU card is \$12.00 and the instructions for obtaining one can be found at the link pasted below from our Pierre Youth Wrestling website.

Tournament Results

Many of you have been submitting weekend results in the new web portal that we developed. I took the results from the first week and submitted them to the Capital Journal last Thursday and they did include the story in today's paper. While the larger narrative that I drafted is included, they did not include the individual results for all tournaments. I submitted another set of results last night and hope that they will be posted in the paper tomorrow. If you wanted to share results with those outside the local area you can do so by sending along the links to the news stories I've submitted. These are always available on our "Result" page on the website along with results from the past few years.

[Week Two Results \(January 14th & 15th\)](#)

[Week One Results \(January 6th – 8th\)](#)

Group Pictures Times

Group 1 – Pictures will start at the beginning of practice. Often we try to divide the kids into two groups so that while one group is taking individual pictures the others can be practicing and then make the switch when the other group is ready for pictures. The group picture will be taken at the end of the practice.

Group 2 – Pictures will begin at the start of practice. You may want to come early this evening as group 2 kids can begin individual pictures right as the group 1 team picture is taken.

Group 3 – Pictures will start at 5:30 and proceed until all individual pictures are completed. Once the group picture is completed there will be no formal group 3 practice as the high school dual with Huron will be underway beginning at 6:00.

Pictures from Gettysburg

April Zilverberg passed along pictures that she took last week of Pierre wrestlers at the Gettysburg tournament. I'm passing the link along in the event that you might see a picture of your son that you are interested in downloading. Thanks for sharing April.
